

Ministry Spotlight

The In-Reach Ministry

What is In-Reach?

The In-Reach vision is that the parish family works to meet the needs of its members. The Parish In-Reach Committee strives to match those in our parish family with others who have a particular need. Our parishioners are willing to help the community by sharing their time and talent.

What do we do?

The In-Reach Ministry provides services to those in need, such as delivering meals on a short-term basis, driving individuals to and from appointments, doing minimal yard work, such as raking leaves, shoveling snow, helping with light housework, and other related services.

What are some of our most recent accomplishments?

Recent accomplishments include meal preparations and delivery, shoveling snow, driving the elderly to and from appointments, checking in on the well-being of the elderly, assisting with researching hearing amplifier devices for an individual, and helping with minor home repairs.

How can you help?

We welcome you to help our fellow parishioners in their time of need. You only need to do what you are comfortable with and assist only when you are available at the time of a request. Prayerfully consider volunteering with the In-Reach Ministry.

“Let each of you look not only to his own interests, but also to the interests of others.”

Philippians 2:4

How to request help:

Your need can be requested by a friend or you can personally contact the In-Reach Ministry contact person Dick Williams. Also, a note with a description of your need, along with the name and number of a contact person, can be dropped in the collection basket.

God's Reflection

May we reflect God's love
So that others may know,
That we are Christians
By the love we show.

When we are actively
Seeking His will and plan,
May we reflect God's love
In extending a helping hand.

Teresa C. Hawes
